DR SWIM – LEARN TO SWIM...MAKE UP POLICY

OCTOBER 2023

DR swim allows families to have one make up lesson per month, under the following conditions:

Families need to login to their Udio account and cancel the swimmer out of the lesson BEFORE it commences.

The system will then create a voucher that the swimmer can use to book in for a session on another day.

The voucher has a two week expiry date, please ensure you book into another session by logging in to your Udio account.

It is the responsibility of the families to administer the cancelling and rebooking of any sessions due to absence.

The Udio login can be found on the club website home page – gkdsc.com.au

Thank you

GK Swim club
